Notes to Editors

Ace Liberty & Stone Plc is a London-based property investment company with a diverse portfolio of properties located across the UK, currently including Leeds, Doncaster, Sunderland and Dudley. The Company locates commercial properties which have the potential for an increase in value through creative asset management activity, such as change of tenancy, change of use or new lease negotiation. Ace has maintained a track record of generating strong profits at disposal of properties and achieving better-than average returns on capital. With strong support from shareholders and mortgage lenders, the Company is currently seeking further investment opportunities in the UK to create value for existing and new investors.

The London property market has seen considerable recovery since the 2008 financial crisis. However, in some UK regions price increases have started with the smaller properties, and are spreading towards larger properties.

Ace is run by a board with extensive property experience, an excellent network of contacts and relevant professional qualifications. This sector expertise has allowed the Board to identify opportunities and act promptly to secure investments.
